WHAT PEOPLE ARE SAYING...

"I'm an AFEA instructor based in NJ. Letting you know that becoming a part of your organization has been the best thing I've done in my financial services career. The amount of activity the Medicare and SS workshops has produced has been fantastic. But being able to assist those in need, in a Non-Profit setting, with these confusing subjects has been quite gratifying. Keep doing what you're doing. We wouldn't be here if it wasn't for you!" – Rich Gustafson (Cranford, NJ)
